SigmaAldrich.com/Microbio-Services-MR

The Life Science business of Merck operates as
MilliporeSigma in the U.S. and Canada.

Service Essential™ is an ideal plan to cover your lab's fundamental needs:

OPTIMIZE Your Investment and PREVENT Downtime

- Annual preventive maintenance for a complete review of your microbiology equipment by a certified Service Engineer
- Shipping/travel fees and labor included

Get RAPID Solutions

- Priority status for any requests
- Unlimited access to our technical support hotline:
 - Speak directly with our in-house, specialized service experts
 - Rapidly diagnose, investigate and solve issues; schedule interventions when needed

MINIMIZE Risk and EASE Compliance

- Quality-certified and harmonized expertise
 - Only factory-trained Service Engineers repair and maintain our microbiology equipment in compliance with our worldwide auditable service operating procedures
- Service history traceability
 - A performance report is recorded after each intervention, for traceability purposes and to help prevent possible failures
- Genuine spare parts:
 - ISO® 9001-certified and have passed stringent quality control checks
 - Most critical parts provided with a Certificate of Conformity
